Q1 2023

GALDERMA First Impressions

Manly-based brand experience and engagement company Synergy Effect was awarded national Winner of the Best Live or Hybrid Brand Event at the 2022 Australian Event Awards, for their work with Galderma on the First Impression symposium held at The Main Space in The Venue Alexandria.

Synergy Effect Directors Ruth Hirst and Michael Fleck, attended the awards evening on 23 November on board the Jackson Sydney and were delighted to share this success with the event industry.

More than 6,000 delegates located in 15 cities in 12 countries attended four different events over three days with presentations from 13 international speakers. The Venue was then converted into four training clinics where HCPs could undertake hands-on training under the highly regarded KOLs' supervision.

MERCEDES-BENZ

"On the 4th of August, Mercedes-Benz Sydney friend of the brand Erin Molan hosted an evening at The Venue Alexandria, launching the first electric AMG vehicle to the fleet, the Mercedes-AMG EQS 53 4MATIC+.

Winding back the clock, the event celebrated the evolution of Mercedes-Benz through the decades with a parade of Mercedes-Benz vehicles from the past 130 years".

A unique feature of The Venue is the 90 metres of white wall, perfectly designed for projection. This provides an opportunity to display content using single, dual or triple screen projection, or blend multiple projectors together to create one continuous custom widescreen image for an all immersive experience. When it comes to displaying impactful content there are endless possibilities that The Venue can offer
