Operationally your selected caterer must provide all current insurance documentation and financially agree to 15% commission or an agreed amount payable to the venue. The Venue Alexandria is also able to recommend several outstanding event caterers who are familiar with our spaces.

The NW Group team are intimately familiar with our venue rooms and are equipped to deliver a seamless audio visual experience for sound and lighting based on your brief.

Alternatively, you are welcome to provide your own preferred supplier subject to terms and conditions.
